

**DIRECTIONS:**

Get on 101 northbound (at San Rafael, Petaluma or Santa Rosa). Continue N on 101 past Garberville and you will see signs and several exits for Avenue of the Giants. Take Exit 671 (Barkdull Road), turn right on Barkdull and left on Avenue of the Giants. Continue about one mile until you see a red vegetable stand on the right side, which may or may not be in use. Just past it is a hedge next to the roadway – that’s the rental. I will try to make a sign or hang balloons. On the map below, the place is at the red star (ignore black line pointing to where the red star was before I moved it). Landmarks and mileage for the trip are next page.
